

## **Sarcoma Support and Information Day**

**Saturday November 16<sup>th</sup> 2019, The Lodge, St Luke's Hospital, Rathgar**

Today is specifically aimed at Irish patients and/or their families affected by sarcoma. It will be an opportunity for you to meet others who are or who have been in similar situations, learn more about this uncommon group of diseases and appreciate how and where they are treated in Ireland. Please don't hesitate to ask questions. We would like today to be as informal and interactive as possible.

**0945            Tea/coffee and registration**

**1030            Introduction and Welcome**

Dr Charles Gillham, National Lead for Soft Tissue Sarcoma

**1045            Pathology (analysing the tumour under the microscope)**

Prof Aurelie Fabre, Consultant Pathologist, St Vincent's Hospital, Dublin 4

**1100            Surgery**

Mr Alan Molloy, Consultant Sarcoma Surgeon, Cappagh Hospital

**1115            Radiotherapy**

Dr Naomi Lavan, Consultant Radiation Oncologist, St Luke's Hospital

**1130            Drug Therapy**

Dr Deirdre O'Mahony, Consultant Medical Oncologist, Cork

**1145            Tea/Coffee**

**1215            Sarcoma from a patient's perspective**

**1245            The Psychological Impact of a Sarcoma Diagnosis**

Nicci Elmer, Clinical Psychologist, St Luke's Hospital, Dublin

**1300            Lunch**

**1430            Physiotherapy and rehabilitation after sarcoma treatment**

**We are incredibly grateful to the extremely generous fund raising of several patients without whom today would not be possible.**
